# The Academic Zone Website

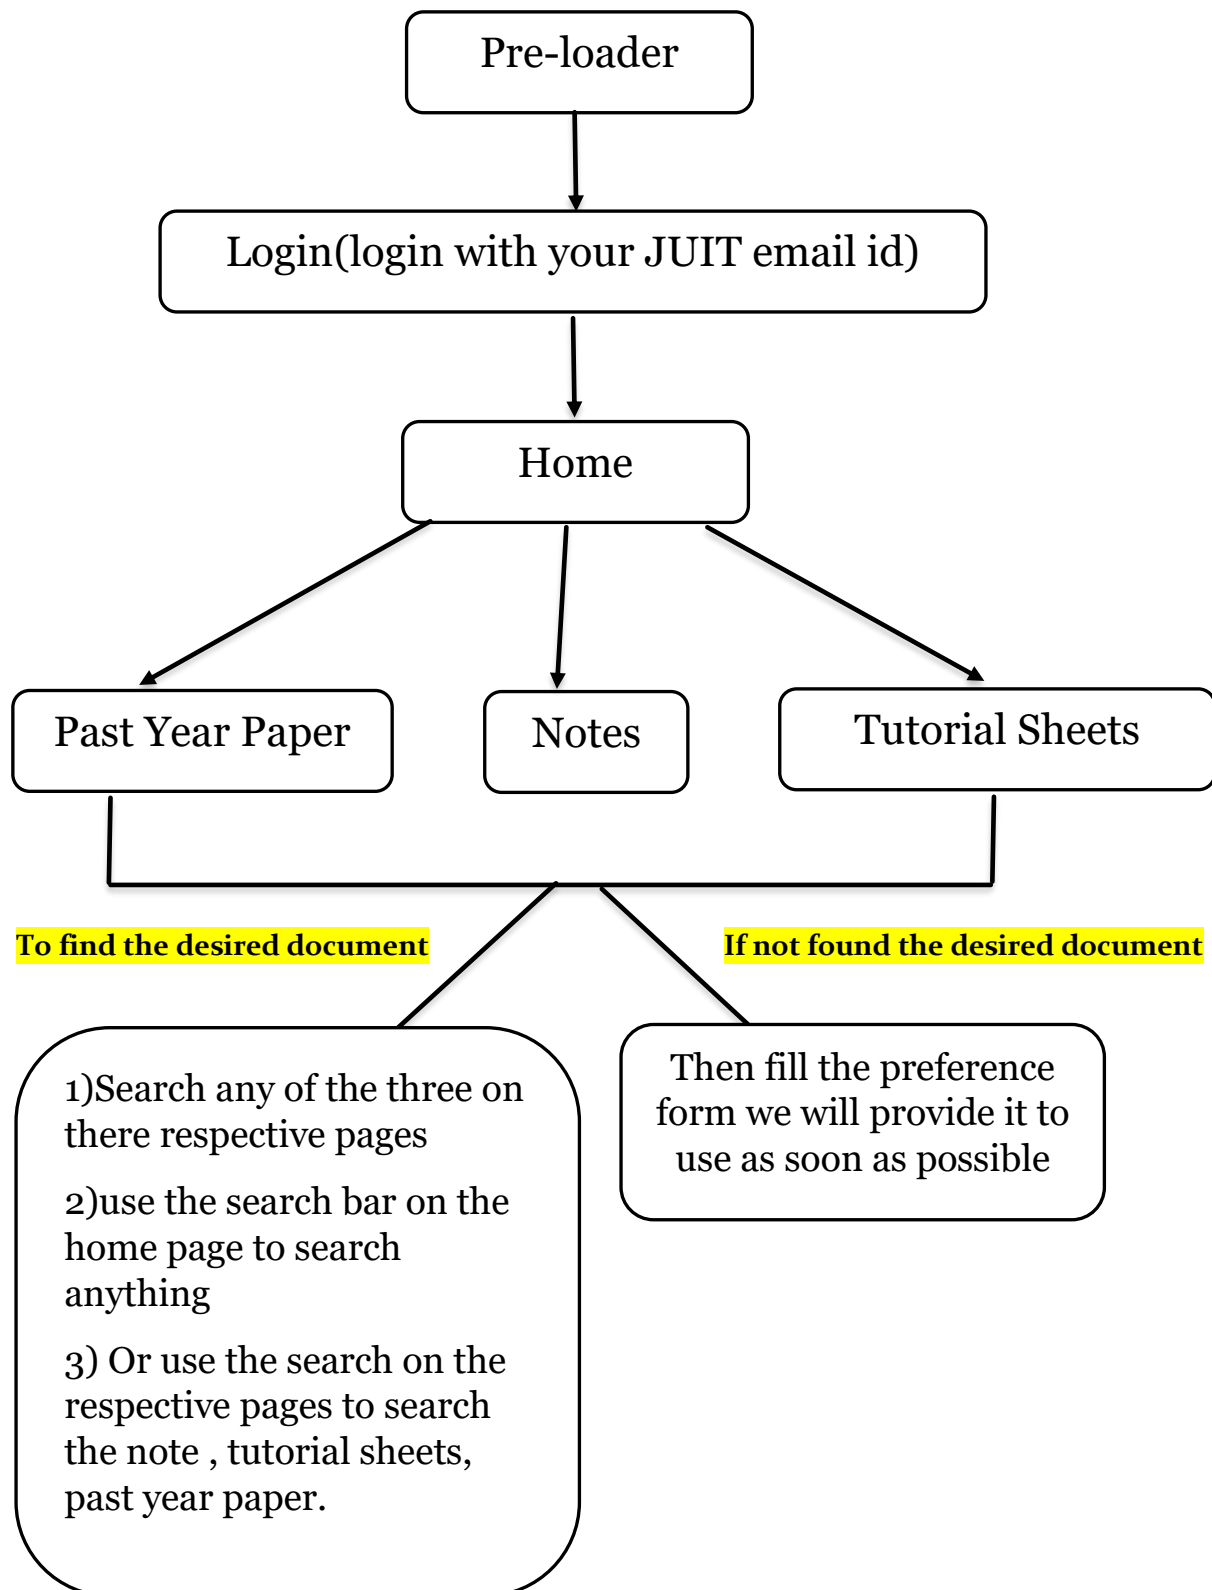

## **Purpose of the project:**

Our website “The Academic Zone” is having, all a student needs to prepare for their exams. The availability of study materials such as notes, PDFs, and tutorial sheets on a website can greatly benefit students in their academic pursuits. Here are some ways in which this resource can be helpful for students: Convenience and Accessibility: Having study materials available on a website makes it easier for students to access the information they need from anywhere and at any time. They don't have to worry about misplacing or losing their notes, and they can access the website from their phone, tablet, or computer, and also download them as per their convenience also help them in increasing learning efficiency, in better exam preparation: Study materials on a website can be particularly helpful for students who are preparing for exams. They can use the resources to review the most important topics, test their knowledge, and identify areas where they need to focus more attention, improved study habits They can plan their study sessions, review the material regularly, and stay organized, which can lead to better academic performance.

## **Elements in the Website:**

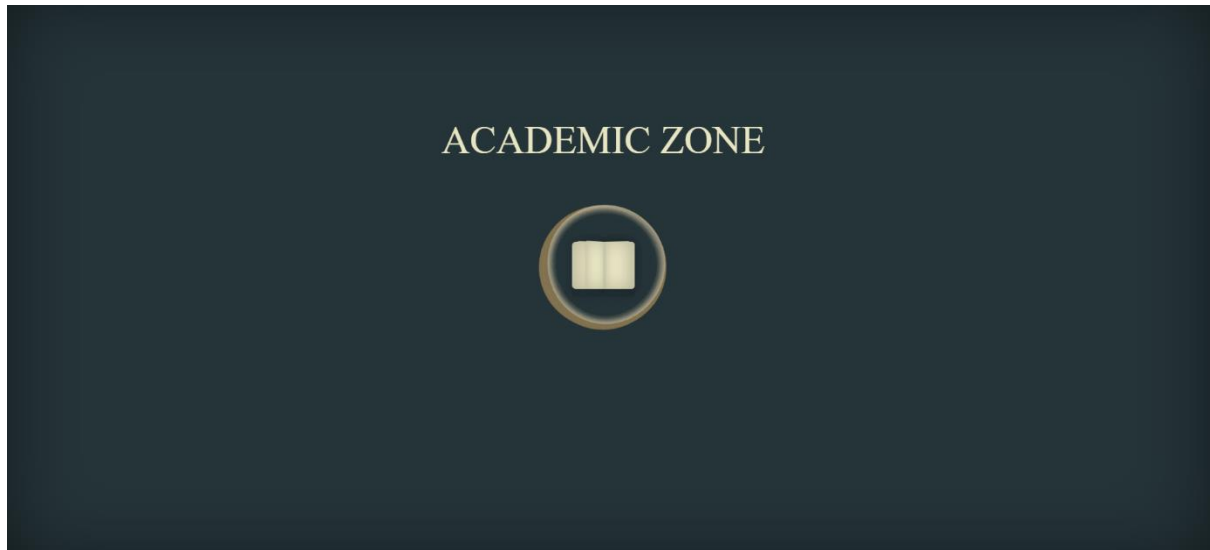

- 1) Form Elements
  - a) < input >
  - b) <label>
  - c) <textarea>
  - d) <password>
  - e) <button>
- 2) Nav bar
- 3) Dropdown list
- 4) Search bar
- 5) Flip cards and buttons
- 6) Simple click cards
- 7) Buttons for downloading files
- 8) Footer
- 9) Linking buttons
